The G. A. R. Band, of Canton, will Play at Wheeling Park, Sunday. Wheeling Park is now at the height of

its glory of foliage, its carpet of velvet verdure and its flowered walks. A vist to this place is educational to anyone who has the beauties of nature in his mind. But soon the blighting frosts will come, and it behooves all who would look for the last time on the many natural attractions of this popular resort to bear in mind that next Sunday they will have the opportunity, besides being entranced with the melody of the Grand Army band of Canton, which will render a specially prepared programme at the Park on Sunday afternoon.

4 is hardly necessary to speak of the abilities of this musical organization for its fame is already known to the artistic and music loving people of Wheeling, which it exemplified last year when it gave a concert under the auspices of the Elk lodge of this city. "Age has not withered, nor custom staled its infinite variety" since then. The remarkable feature about the appearance of this galaxy of artists is that no extra charge will be made for hearing the "harmony of to this place is educational to anyone

board of the Retail Grocers' and Merchants Association of West Virginia, met in Sistersville. The meeting was a called one and President T. N. Barnes, of Weston, called it to order. The following members were present:
T. N. Barnes, Weston; Thomas J. Reed, Wellsburg; John M. Leach, Benwood; Val Fruth, Charleston; H. F. Behrens, F. Viewig, W. C. Eberts and J. C. Strobel, of Wheeling. The members of the board were met at the train by the local members of the association, and were taken to all parts of the city in carriages, after which they were taken to the Wells Hotel for dinner. The meeting of the board was for the purpose of formulating a plan relative to the retailers of the state securing some additional legislation and better protection against the already large and increasing number of dend beats. The meeting adjourned at 4 o'clock and the members all left for their homes, the Wheeling delegation arriving last night.

To the Editor of the Intelligencer. SIR:-My name having been used To the Editor of the Intelligencer.

SIR;—My name having been used without any authority from me in the investigation of the fire alarm by the committee of city council, prompts me to call attention to these facts. I helped to build the fire alarm system, and kept same in repair for Chiefs Eccles, Dunning and Healy, In all these years that I gave my services to keep the alarm in working order, I have not received one single cent for my services. No matter when called, day or night, if the alarm was out of working order, I promptly answered every call and repaired same and placed it in working order. When Chief Kleives assumed charge, my intention was to assist him same as the other chiefs. But he knew it all, required no "electrical expert;" he learned all in a few short months, and needed no help. Consequently your alarm is not in good working order. Now if the city wants the fire alarm to be in good working order, I can fix it, and guarantee it to work properly, same as I have done since the fire alarm has been in use here. Let the city come with a business proposition and the alarm will be promptly fixed without loss of time or needless expense.
